Reflection Questions:

1. What did you take away from today’s message and scripture reading?
2. How responsible are you for caring and protecting God’s other creatures and the earth as a whole?
3. How big of a responsibility does humanity have for caring for the earth and the universe? How good of job are we doing?
4. What can we do to exercise better dominion over God’s creatures, planet earth, and the universe?

Psalm 8 (Common English Bible)

8 LORD, our Lord, how majestic
is your name throughout the earth!
You made your glory higher than heaven!

² From the mouths of nursing babies
you have laid a strong foundation
because of your foes,
in order to stop vengeful enemies.

³ When I look up at your skies,
at what your fingers made—
the moon and the stars
that you set firmly in place—

⁴ what are human beings
that you think about them;
what are human beings
that you pay attention to them?

You’ve made them only slightly less than divine,
crowning them with glory and grandeur.

⁶ You’ve let them rule over your handiwork,
putting everything under their feet—

⁷ all sheep and all cattle,
the wild animals too,
⁸ the birds in the sky,
the fish of the ocean,
everything that travels the pathways of the sea.

⁹ LORD, our Lord, how majestic is your name throughout the earth!

May God bless your hearing, understanding, and application of scripture!
