**Memory Verse: 1 Corinthians 15:22:** <sup>22</sup> *In the same way that everyone dies in Adam, so also everyone will be given life in Christ.*

**Next Six Day Challenge (Daily Reflection)**

**Monday:** *"Jesus is not a footnote to Adam and his Fall; the Fall, and indeed creation itself, is a footnote to the purpose of God in Jesus Christ."*  
~ **C. Baxter Kruger, Jesus and the Undoing of Adam** / **Q:** What intrigues you about this statement?

**Tuesday:** *"The Christian God is interested in relationship with us, and not just relationship, but union, and not just union, but such a union that everything He is and has—all glory and fullness, all joy and beauty and unbridled life—is to be shared with us and to become as much ours as it is His. The plan from the beginning, in the Christian vision, is that God would give Himself to us, and nothing less, so that we could be filled to overflowing with the divine life."* ~ **C. Baxter Kruger** / **Q:** Have you experienced a union with God described by Kruger, if no, why not?

**Wednesday:** *"Jesus is the true and better Adam, who passed the test in the garden and whose obedience is imputed to us," (1 Corinthians 15)."*  
~ **Tim Keller** / **Q:** How is it possible that God is imputed in us?

**Thursday:** *"The Lord Jesus is the last Adam and the Second Human. He is the last man to be without a sin nature. His nature was both human and divine. He was the second man - the man from heaven."*  
~ **Don Stewart** / **Q:** Why must there be a second Adam; Adam 2.0?

**Friday:** *"When a person believes in Christ, they are united to God by faith and becomes one of Abraham's offspring."* ~ **Dr. Bill Edgar** / **Q:** How does this make you feel; that you are one of God's offspring?

**Saturday:** *"Today a major thrust of the attack is the claim that Adam never existed. Those who think that mankind evolved over millions of years believe that Adam and Eve are mythical and have no place in human history."* ~ **Dan Lietha** / **Q:** Is it possible that Adam never really existed?
