Reflection Questions

1. What comes to mind when you think about Easter?
2. How have you prepared for Easter this Holy Week?
3. What are you doing to be a witness for Jesus?
4. What are the ways you are carrying the good but dangerous news of Jesus into a secular world? A world that rejects Jesus and his followers?
5. With our culture rapidly becoming secular and a decline of the church’s influence in the world, what can you do, starting today, that will make a BIG difference in the Kingdom of God to help change the world?
6. If your commitment to your church community has been slacking, why not make a commitment today to the Lord and to your Kingdom family to recommit your time, talent, and treasure for the transformation of world, starting in your own backyard, with your own church family? We need you and you need us, but more importantly the Lord needs you, and you need the Lord.
