Reflection Questions

1. **Pillar One (Birth = Fate):** As a Christian, how have you dealt with your past, especially the hand you were dealt to start in life?
2. **Pillar Two (Illness/Accidents):** If you live long enough, you will get ill and experience accidents. As a Christian, how have you handled illness and accidents involving yourself and the people you love?
3. **Pillar Three (Aging):** If you live long enough, you will deal with the challenges of aging. As a Christian, how have you handled aging for yourself and the people you love?
4. **Pillar Four (Death):** Physical death is inevitable for all humans. As a Christian, how have you handled death throughout your life? Are you afraid to die? Why or Why not?
5. How has self-reliance served you when your life is experiencing adversity, the hot water seasons of life?
6. How has your faith helped you cope and persevere through the hot water seasons of life?
7. What changes must you make to face certain trials and low spots in the days, weeks, months, and years ahead? Relying on your faith instead of self-reliance.
